

THE FOURTH ANNUAL RADWASTE SUMMIT

Moving Toward a Risk-based Regulatory Framework... *Expanding Commercial Opportunities for RadWaste Services*

September 7-10, 2010
JW Marriott Las Vegas
Summerlin, Nevada

Featuring (as of 3/4/2010):

Frank Marcinowski, *Dep. Assist. Sec. for Technical & Regulatory Support, DOE-EM*
Larry Camper, *Dir. , Div. of Waste Mgmt. & Environmental Protection, U.S. NRC*
Christine Gelles, *Director, Disposal Operations, DOE-EM*
Frank Di Sanza, *Director, Waste Management Division, DOE-NTS*
Sharron DaCosta-Chisley, *National Program Manager, U.S. Army Corps of Engineers*
Ralph Andersen, *Dir., Radiation Safety & Low Level Waste, Nuclear Energy Institute*
Rod Baltzer, *President, Waste Control Specialists*
Val Christensen, *President, EnergySolutions*
Miguel Azar, *Manager, Radioactive Waste, Exelon Nuclear*

...plus key program managers from IAEA, executives from leading waste management service companies, utility LLRW managers

The 2010 Summit will address:

- The impact of the **new WCS disposal facility** on the LLRW market;
- **Commercialization of waste blending** and NRC guidance;
- **Long-term site liability** for commercial waste disposal sites;
- **The use of reactor decommissioning funds** prior to facility decommissioning to cover the disposal cost of large scale facility components;
- Treatment and disposition of **waste from Recovery Act work** at **DOE and Army Corps**;
- The evolving regulatory picture for **depleted uranium disposal**;
- The **Texas Compact** and the potential disposal of non-Compact waste;
- The **IAEA's RadWaste programs on waste classification; technology development, disposal site performance**;
- **Utility concerns and plans** to address LLRW in a changing environment;
- Innovations in **waste treatment, packaging and transportation**;
- Solutions for **higher activity mixed waste after 2010**: NTS and beyond;
- Commercial, environmental and regulatory challenges to a **new wave of uranium recovery facilities**;
- The latest on **RadWaste mgmt. & facility D&D plans** at **DOE, DoD, the Army Corps of Engineers** and other federal agencies.

The Fourth Annual RadWaste Summit

Interested in Enhancing Your Company's Visibility... Be a Partner...

Become a **RadWaste Summit Partner** and publicize your company to the community addressing the challenge of radiation waste disposition. This 2½ day event will attract participants from a broad spectrum of companies and organizations. The benefits include:

- Partner recognition on conference agenda and resource book;
- Inclusion of a 4 page 'marketing' flyer in the conference resource book;
- Moderating or speaking*;
- Free or discounted registrations*; and
- Recognition during the conference via signage publicizing the company logo/trademark, etc.

*(*Depends on level of partnership)*

Available partnership opportunities for this Summit include:

- Recognition on *Summit* participant Materials: Logo imprinted on: conference portfolio, Resource Book containing agenda, list of participants etc., notepads, pens, tote bags;
- AV support: Company logo/ad projected on screens used for PP presentations/overheads;
- Participant Hotel keys: Logo/ad imprinted on key
- Exclusive recognition at *Summit* functions/events

For details contact the Forums office at 1-877-303-7367 ext. 109 or email forums@exchangemonitor.com

GET THE INSIDE TRACK ON RADWASTE MANAGEMENT WITH THE...

The *RadWaste Monitor* is the resource you need for the latest news and intelligence on radioactive waste management, including: LLRW Disposal, Storage & Treatment; Decommissioning & Decontamination; Rad Material Recycling; GTCC & TRU Waste; Spent Fuel Disposition; Waste Classification; FUSRAP Waste; and Waste Management at New Reactors. (**Published Biweekly, Subscription Rate \$895**)

Please visit our website at www.exchangemonitor.com or call 202-296-2814 ext. 101 for more information.

ACCOMMODATIONS

Rates to attend this Summit at JW Marriott, Las Vegas (Summerlin), which is near the DOE office are **\$159.00 for single and double occupancy. Government rates are available at \$109.00** for single and double occupancy. These rates do not include a daily hotel services fee, along with applicable city and state taxes (which are currently 12%). **If you are a government employee, you must have a government identification card.**

To guarantee a reservation at conference rates, call JW Marriott, Las Vegas (Summerlin) at 1-800-297-5056 by **August 21**. Identify yourself as a *RadWaste Summit Attendee*. If space is available, the above rates will apply for attendees two days prior and two days after our program dates. **We recommend getting your reservations EARLY to secure a guest room.**

JW MARRIOTT LAS VEGAS (*SUMMERLIN*)

The JW Marriott Las Vegas is an elegant hotel in Summerlin, Nevada just outside of downtown Las Vegas. The hotel is set against the crimson canyons and rugged cliffs of Red Rock and is home to premiere conference facilities that feature a full service business center that provides uncompromising levels of service and amenities. After a busy day of meetings one can just relax and enjoy the natural beauty, play a round of golf or visit the nearby Red Rock Canyon which provides breathtaking hikes, mountain climbing or biking opportunities.

Registration opens at 3:00 p.m. Tuesday, Sept. 7 followed by a Reception and Dinner at 6:00 p.m. The opening Plenary is at 8:00 a.m., Wednesday, Sept. 8. The Summit ends at noon, Friday, Sept. 10.

THE FOURTH ANNUAL RADWASTE SUMMIT

(WEBSITE: www.radwastesummit.com)

GROUND TRANSPORTATION

No regular shuttle service is available from any of the Airports.

From McCarran International Airport: Take Interstate 15 North to Expressway 95 North (Reno). Take Summerlin Parkway exit West. Take Rampart exit and make a left onto Rampart Boulevard. Take a right turn into the resort.

The hotel does offer a return trip to the airport for \$25.00

Estimated taxi fare: 50.00 (one way).
